

INSTALLATION & CONSTRUCTION SERVICE

22151 East 91st Street | Broken Arrow, OK 74014 USA | +1 (918) 258 8551 | zeeco.com

Rely on the World Leader in Combustion and Environmental Solutions

Choose Zeeco for a simple, cost-effective, and timely solution for your installation and construction projects. With ZEECO Installation and Construction Services, you'll work with a single point of contact committed to your project's success while eliminating the headache of coordinating between your facility, the Original Equipment Manufacturer (OEM), and contractors. What's the bottom line? From building and erecting to electrical and piping installation, Zeeco is your one-stop shop for a full-service installation and construction solution for flares, burners, incinerators, vapor combustors, and vapor recovery systems.

Zeeco's Installation Capabilities Include:

- Turnkey new equipment installations
 - Equipment lifting and setting
 - On-site welding
 - Civil foundation design and installation
 - Mechanical and electrical installation
 - Commissioning
 - Installation of Zeeco and competitor equipment
- Retrofit services
 - Flare tip replacements
 - Pilot upgrades
 - Burner retrofits
 - Guy wire replacement and tensioning

The Zeeco Difference

By concentrating on what we do best, Zeeco has grown into a worldwide leader in combustion and environmental solutions. We are a privately held company whose ownership stays highly involved in daily operations, with upper management comprised of the world's leading combustion experts.

When you call Zeeco, we answer. When you make a request, you get a quick, efficient response. We are lean and efficient, able to make decisions quickly, without bureaucracy and red tape. Our sales, engineering, and purchasing groups work hand-in-hand to deliver highly competitive quotes and heroic turnaround times. We stand ready and willing to travel anywhere in the world to discuss upcoming projects firsthand, and to ensure that every existing project runs seamlessly.
