

PRODUCTS & SOLUTIONS

22151 East 91st Street | Broken Arrow, OK 74014 USA | +1.918.258.8551 | zeeco.com

BURNERS

- Process
- Power / Steam
- Boiler & Duct
- Utility, Industrial, & Institutional
- Package
- HWV High-Intensity
- Next Gen Ultra-Low NO_x
- Hydrogen/Natural Gas Conversions
 - » Fuel Conversion Kits
- Pilots & Ignition Systems
- Burner Management & Control Systems

FLARES

- Non-assisted/Utility
- Assisted/Smokeless
- Multi-Point Ground
- Enclosed Ground
- Offshore
- Flare Structures/Derricks
- Control Systems
- Auxiliary Equipment
- Hydrogen, Ammonia, & Other Renewables
- Zero Routine Flaring

THERMAL OXIDIZERS

- Gas Processing
- LNG
- Sulphur Recovery
- Waste Heat Recovery
- Petrochemical
- Halogenated Waste
- Liquid Waste
- Recuperative
- Regenerative
- Spent Caustic
- Multi-Stage Low NO_x
- Air Heaters (Direct & Indirect Fired, PDH)
- Post Combustion Treatment
- Renewables Projects

VAPOR CONTROL

- Flare Gas Recovery
- Vapor Recovery
- Nonregenerative Vapor Recovery
- Vapor Combustors
- Biogas & Landfill Flares
- Vapor Blower Skids
- Marine Dock Safety Systems

RENTALS

- Every ZEECO system can be offered as a rental
 - » Flares & Combustors
 - » Thermal Oxidizers
 - » Vapor Control
 - » Scanners & Monitors
- Pipeline Blowdown & Recompression
- Delivery/Set-up/Training/Operation
- HRVOC/RSR Monitoring Skids
- Interconnect Piping & Equipment

AFTERMARKET

- Direct Replacement Parts, Retrofits, and Engineered Solutions
 - » Any Combustion or Environmental System
 - » Any Original Equipment Supplier
- » Anywhere in the World
- 3D Scanning Capabilities
- Environmental Rule Compliance Training

GLOBAL FIELD SERVICES 24/7 SUPPORT

- Site Supervision & Support
- Combustion & Heater Surveys & Reports
- Automation
- Emissions Testing
- Installation & Construction
- Disaster Response
- Preventative Maintenance & Emergency Services
- Turnaround Management
- Turnkey Solutions
- Drone Aerial Inspections & Reports
- Boiler Maximum Achievable Control Technology (BMACT)
- Feasibility & Fuel Conversion Studies

COMBUSTION ELECTRONICS

- Flame Scanners
- Flare System Monitoring & Control
- Flare Pilot Monitoring & Control
- Emissions Monitoring, Access, & Control Systems
- Augmented Reality Field Kits
- Electric Ignition Systems
